LLANTRISANT COMMUNITY COUNCIL

10th October 2024

REPORT OF THE CLERK

TRADE WASTE COLLECTIONS

1. Members will be aware that RCTCBC are making changes to wheelie bin collections. Trade waste has also been affected and from November weekly trade waste wheelie bin collections are being replaced with 3 weekly collections.
2. The current contract is for one 240l at both Beddau Community Centre and Caerlan Hall. (Cost £47.23 per month at each hall) Staff take any waste from Llys y Cwm to one of the other halls. Red and Blue trade recycling bags are purchased.
3. The new Trade Waste Charges from RCT and a proposal from Veolia are provided at the end of this report.
4. Although Veolia offer weekly collections of general waste, this appears to be the only benefit. The weekly general waste collection of a 240l bin works out at £49.53 per month, per location. However, we do not need a weekly collection of general waste at any of our sites.
5. For the cost of a RCT wheelie bin which holds 4/5 bags at one location the Council can put out 20 RCT brown general waste bags (at any location).
6. RCTCBC have expressed their intention to collect the existing trade waste wheelie bins. Storage boxes to keep the bin bags and recycling in are to be provided at each community hall. (Cost £66.66+Vat each)
7. It is proposed to relinquish the wheelie bins and proceed with RCT brown bags at each site including the purchase of a suitable storage container for general waste and recycling bags between collections.

VEOLIA PROPSAL

General waste

We can offer you a service that diverts this waste from landfill and sends it to an Energy from waste facility where it is used to produce power and heat. This method of disposal will mean you can declare to be zero waste to landfill and will help with any environmental standards you are working to.

1 x 240 ltr container lifted weekly **£11.43p** per lift based on a 30 kg weight limit
£0.05p daily container rental

Should the weight ever go over the agreed allowance then an £0.18p surcharge per kg would apply.

Mixed recycling

Mixed recycling has now being phased out for the new Welsh Government's single Stream recycling legislation. This means we will need to place the cardboard and paper in one bin, and then plastic bottles and tin cans in another bin for collection. This will be following the Welsh Government Legislation on single stream recycling. We can supply clear recycling bags and come on a roll of **20 bags for £2.00 a roll**, or you can supply your own as well, just please ensure that no black bags are placed in this service.

Cardboard and Paper recycling - paper in clear bags only no black bags for this service.

Card can go in loose.

1 x 240 ltr container lifted weekly
£7.64p per lift based on a 10 kg weight limit
£0.05p daily container rental

Plastic bottles and Tin Cans

The plastic bottles and tin cans can be placed loose in the bin, but if bagged will need to be clear bags.

1 x 240 ltr container lifted weekly
£7.64p per container lift based on a 10 kg weight limit
£0.10p daily container rental

Food recycling

If you produce over 5 kg of food waste a week, you will need to add this service as well. If this is under 5 kg then it can continue going into the general waste bin.

You will need to place this in bio degradable bags for disposal and we can supply these for **£2.00 for a roll of 10 bags**, but you can supply your own as well.

1 x 240 ltr container lifted weekly
£9.14p per lift based on 80 kg weight limit
£0.05p daily container rental

Glass recycling

If you only have the odd glass jar per week, this can also go into the general waste bin as well.

Delivery charges

There would be a one off delivery charge to site the containers initially, and will be £10.00 per 240 ltr bin, and will appear on your first invoice only.

Duty of care

We will need to provide you with a Waste Transfer note for your Duty of Care, and this covers all services we have with you, and is a monthly fee of £3.33p.

Rhagarweiniad | Introduction

Ein nod yw gwneud popeth o fewn ein gallu i sicrhau bod ein 4 ward yn lleoedd lle mae ein cymunedau lleol yn gynhwysol, lle mae pobl yn teimlo'n ddogel, yn cael eu cefnogi a'u gwerthfawrogi.

Rydyn ni'n gwneud popeth o fewn ein gallu i gefnogi cymunedau i alluogi pobl i deimlo'n gysylltiedig, mewn lleoedd iach, ac i fyw ein bywydau yn fwy lleol. Y canlyniadau a ddymunwn yw:

Pobl yn teimlo'n llai unig ac ynysig trwy gefnogi amrywiaeth o weithgareddau cymunedol i bawb ddod at ei gilydd a'u mwynhau.

Rydyn ni'n cynorthwyo gyda chyfleoedd lleol a fforddiadwy i fod yn fwy egniol, i hyrwyddo ffyrdd iachach o fyw a helpu pobl i gael mynediad at wasanaethau lleol, trwy ein Swyddfa Blwyf a thrwy ddarparu adeiladau cymunedol i bawb gael mynediad i ddyn nhw.

We aim to do all we can to ensure that our 4 wards are places where our local communities are inclusive, where people feel safe, supported and valued.

We do what we can to support communities to enable people to feel connected, in healthy places and to live our lives more locally. The outcomes we desire are that:

People feel less lonely and isolated, by supporting a range of community activities for everyone to come together and enjoy.

We assist in local and affordable opportunities to be more active to promote healthier lifestyles and help people access local services, through our Parish Office and the provision of community buildings for everyone to access.

Achlysuron | Events

Fel Cyngor Cymuned rydyn ni'n helpu i roi hwb i'n cymdogaethau lleol gyda dyddiadau o achlysuron lleol i'r cyhoedd eu mwynhau gyda'i gilydd.

Mae'r achlysuron mawr yn creu ymdeimlad o gymuned ac yn denu pobl na fyddai fel arfer yn ymweld â'r ardall!

As a Community Council we help boost our local neighbourhoods with a diary of local events for the public to enjoy together.

Not only do the major events support a sense of community, but they also bring people into the community that might not otherwise visit!

Ffeiriau Cymuned | Community Fairs

Dan arweiniad partneriaeth leol o sefydliadau Beddau a Ty-nant, mae'r Cyngor Cymuned yn cynorthwyo i gynnal Ffair Cymuned dymhorol fywiog yn ardal Ty-nant a Beddau. Led by a local partnership of Beddau and Tynant organisations, the Community Council assist in bringing to Tynant and Beddau, a vibrant, seasonal Community Fair. Our maintenance staff prepare Beddau Community Centre and its grounds, ready for use, and the events organisation capacity of the Parish Office are fully deployed to assist making the event a success.

The Community Council and its staff take great pride in the community it serves. Our maintenance team work hard to improve and maintain the appearance of the area.

Our floral displays involve around 90 baskets and 50 planters throughout the community during the summer and are always well received by residents. By planting perennials in our flowering baskets and planters, we save water while enhancing the biodiversity and environment in our built-up areas.

Our community gardens, such as the Heather Garden, Llantrisant, Mount Pleasant, are maintained beautifully by our team for the public's enjoyment.

Throughout the year the team go above and beyond our expectations, cleaning and maintaining accessible outdoor spaces. Due to the diverse weather conditions we experience, we remove fallen trees blocking pathways, check the general safety of many of our assets and walkways, as well as maintaining footpaths, including the 'Bunny' walks. Our outstanding maintenance team strim, mow, weed and wash these areas to keep these routes clear.

The following list gives an indication of the types of use which may fall within each use class. - **C3(b)** up to six people living together as a single household and receiving care e.g. supported housing schemes such as those for people with learning disabilities or mental health problems.
- **C3(c)** allows for groups of people (up to six) living together as a single household to allow for those groupings that do not fall within the C4 HMO definition to be provided for, e.g. a small religious community may fall into this category as could a homeowner who is living with a lodger.
- **C4 Houses in multiple occupation** - small shared houses or flats occupied by between three and six unrelated individuals, as their only or main residence, who share basic amenities such as a kitchen or bathroom.
