EC/24-25/35 Minutes of the Previous Meeting

The Minutes of the meeting of the Events and Public Engagement Committee held on 28th November 2024, which had been received by full Council on 10th December 2024, were approved as a true record.

EC/24-25/36 Community Council Reception evening

It was **agreed to recommend** that the Community Council hold a reception for stakeholders in the community as a means of thanking them for their work, and that the Clerk investigate possible dates before the summer of 2025 and format of the evening.

EC/24-25/37 Events Schedule 2025

The Report of the Clerk giving the scheduling of events for 2025 was received and considered, and amended according to the discussions thereupon.

It was agreed without dissent that the Council cannot be the lead in more than two Christmas events, as it stretches staff capacity. Should the RCT offer for an event in Llantrisant, along the lines of that for 2025, be repeated, the Committee was minded to have a smaller presence at this instead of its own event; capacity could then be freed for a possible event at Talbot Green community centre. It was **agreed** that the Clerk explore options with the Talbot Green Community Centre committee.

The Events Schedule is attached as an appendix to these minutes.

There being no further business the meeting was ended at 8.20pm
