LLANTRISANT COMMUNITY COUNCIL
COUNCIL ACTION LOG – JUNE 2026

MINUTE	ACTION	REMARKS
<u>EPE/22-23/25</u>	Time Capsule Project Committee agreed on 22 nd Nov 2022 to recommend £500 be allocated from the Llantrisant Project fund to initiate work under the stewardship of Cllr Ellie Townsend Jones. The Committee agreed to receive updates on the project as required.	
<u>AOC/25-26/05</u>	(vi) design and quotations for providing new accessible toilet facilities at Caerlan Hall, Llantrisant be obtained for the purposes of enabling the main hall and the lesser hall (former office) to be hired out separately.	This matter may need to be escalated, as there has been an expression of interest in hiring the lesser hall at Caerlan Hall (the former parish office) and this would require a dedicated toilet facility.
<u>FC/24-25/98</u>	Talbot Green Seating Area and also Beddau Tumps Interpretation Boards	Clerk and Cllr Barton met with heritage officers from RCT. RCT will assist in writing text, design and ordering of boards. Cost likely to be more than envisaged in initial discussions (more likely to be c £2,500 per board). Council has revised its estimates for use of project funding accordingly.
<u>FC/25-26/109</u>	Possible new bus shelter at Llantrisant Bowls Pavillion	RCT has not raised any objections in principle. The Clerk has agreed for RCT to undertake subterranean investigations. They are underway.

		Recommendation to be brought to Council once full facts and costs are known.

LLANTRISANT COMMUNITY COUNCIL

9TH JUNE 2026

REPORT OF THE CLERK

BEDDAU, LLANTRISANT AND TALBOT GREEN FOOD BANK

1. To note that the Beddau, Llantrisant and Talbot Green Food Hub had informed the Council that their operations would cease on Friday 29th May 2026, and giving notice of their vacating the room leased at Beddau Community Centre by 30th June 2026.
2. To note also the email received by the Clerk from the Chair of Trustees of Cwm and Llantwit Welfare Hall Scheme regarding future food bank provision for Beddau and Tynant.
3. To note that under the Council's Grant Aid Policy, *"Organisations may be required to return the Community grant or a percentage of it, if they cease to function during the 12 months following allocation of the grant."*
4. To note that the Council had provided BLT Food Hub with a grant of £3,000 in January 2026, which falls within the 12 month period given in the policy quoted in (ii) above.
5. To determine whether the Council should request the return of any part of the grant given to BLT Food Hub in line with Council policy.

MR G. E. HOPKINS J.P.

CLERK TO THE COUNCIL

APPENDIX I

Email received from Lisa Thomas (Cwm and Llantwit Welfare Hall Scheme)

The following is an email received from the Cwm and Llantwit Welfare Hall Scheme on Monday 1st June 2026.

“Dear Geraint (Clerk)

I was saddened to hear of the closure of the BLT Food Hub, particularly given the importance of food support services within Beddau and the surrounding communities.

I wanted to enquire about the current position regarding any equipment, resources and provisions previously used by the project, and whether discussions have taken place regarding the future of the service and how support can continue to be delivered locally.

My understanding is that the organisation operated on a non-profit basis and, as such, would have maintained appropriate financial records and governance procedures, including a detailed breakdown of income, expenditure, grants, and funding received throughout the years it has operated. As public and community funding has reportedly supported the provision, we feel it is reasonable that transparency and accountability are maintained regarding how those funds and assets are managed moving forward.

At Cwm & Llantwit Welfare Hall Scheme we have been supporting the community for many years through food redistribution initiatives and surplus food collections, and we remain extremely passionate about continuing this work for the benefit of local residents.

We would welcome the opportunity to work collaboratively with the Community Council and any existing volunteers to explore whether:

- the current provision could be supported to reopen;
- services could be amalgamated to avoid disruption to the community;

- or whether existing equipment and resources could instead support the development of the Welfare Hall food hub and pantry provision.

Although our facilities are still developing, the Welfare Hall is currently open seven days a week with extended opening hours, allowing a more flexible and accessible approach for residents requiring support. Access to existing supermarket collection slots and partnerships would also significantly help us continue providing food parcels and community food initiatives locally.

I must admit I was disappointed that local organisations such as ourselves, who work closely with community groups and support services across the area, were not approached prior to the closure to discuss potential partnership working or continuity planning or that funding is being offered to other groups outside of their designated areas, where we would have willingly offered our support.

Given the importance of this community asset, I would respectfully ask that the Council seeks clarity regarding the structure, governance and accountability arrangements of the former provision, including any publicly funded grants, allocated rental support and remaining assets or equipment, so that these can continue benefiting the wider community fairly and appropriately.

Most importantly, we are keen to ensure that residents across Beddau and the surrounding areas do not lose access to such a much-needed service. We remain fully committed to supporting any future discussions and helping re-establish sustainable food support provision within the community.

Yours sincerely,

Lisa Thomas

LLANTRISANT COMMUNITY COUNCIL

9TH JUNE 2026

PROPOSAL FROM CLLR JULIE BARTON

Beddau and Tynant 150 years

Next year will be both the 150th anniversary of the opening of the first school in the village and, ironically, the 40th anniversary of YGG Castellau, the first purpose built Welsh School in the area, on the site of the first ever school!

The coming of the school really marks the beginning of the village proper, and it's something I believe we should celebrate in style.

So, I'm proposing a year long celebration, involving as many organisations and people as possible. I've already had positive feedback about the idea from many of them including the rugby club, Castellau, the Library, Litter Free etc.

As you can imagine, I also have many ideas; but I also realise we as a Community Council can't (and shouldn't) run them all. So I would like to propose asking the Clerk to set up a steering committee, similar to Crecy or the Community Show, to co-ordinate activities. If we could get a grant to pay a staff member to work exclusively on this, that would be the icing on the cake.

We aren't holding a Community Fair this September, for a number of reasons, so I would request that the budget we would have had for the Community Fair is allocated to Beddau Tynant 150 in the first instance for preparation and buying resources. Litter Free Beddau and Tynant will happily partner with the Council on this.

The timeline

February 2027 Launch event

Saturday 4th September Victorian Parade and picnic. Old fashioned games and challenges

LLANTRISANT COMMUNITY COUNCIL

9TH JUNE 2026

REPORT OF THE CLERK

TOWN PUMP (BULLRING)

1. The old town pump located on the Bullring, Llantrisant is one of three such pumps in the old town which are preserved for historic interest. These pumps (the Bullring pump is no exception) are enclosed in iron railings for protection, and are painted black.
2. None of the pumps is operational. Indeed, the Bullring pump is only partly original with some artificial parts added over the years and painted to give an impression of how it once looked.
3. Whilst the other two pumps (on Heol Las and Newbridge Road) are the responsibility of the Community Council, the Bullring pump is owned by the Llantrisant Town Trust.
4. Informally the Community Council has from time to time given the pump light maintenance, including painting the railings when we have painted other street furniture on the Bullring; planting some flowers within the fenced area; weeding and cleaning. This has always been agreed by word of mouth between different representatives of the Trust and Council.
5. The Community Council has now received a formal request from the Llantrisant Town Trust for the Council to maintain the pump.
6. In essence this represents very little change from custom and practice, as operationally we have on several occasions tended to it when we have felt it looking in need of some superficial care.
7. Since the matter has been referred to full council formally, I seek Council's approval for us to continue light maintenance of the pump: painting, cleaning, planting, weeding, etc.
8. The pump remains the property of the Llantrisant Town Trust.
